Wheels Installed
MSRP \$12,089 | CUB3d

Without Wheels
MSRP \$10,989 | CUB2d

Sensory + Monitoring Hub

Includes: Camera, Microphone, Speaker, Light, Sensor

MSRP \$3,850 | KIT10001

This unique hub provides a secure fit, records medical episodes, and enables two-way communication—offering safety and connection

- ✓ Camera + Mic - Integrated camera for complete visibility to assist in monitoring the user, record medical episodes, and receive notifications for sound and movement; mic offers two-way audio to hear and speak to the user
- ✓ Light - Adjustable light with circadian rhythm support to improve sleep quality, creating a calm and visually engaging environment
- ✓ Speaker - AUX Port option and pre-loaded sounds/audio to support sleep and sensory sensitivities
- ✓ Sensor - Monitors temperature and humidity for diagnoses related to heat sensitivities, supports incontinence-related hygiene concerns, and includes smoke and carbon monoxide alarm alerts

All-in-one-hub (individual items are not sold separately)

Canopy

MSRP \$6,600 | CB-01FGB

Heavy duty, dual layer canopy with fabric + (3) polyester mesh openings with premium zippers + (4) 1/2" access holes

- ✓ Dual-layered, tensioned protection to reduce injury risk, muffles sound, and blocks light for a sensory-supportive environment; a supplemental canopy for incontinence or damage

Positioning Wedge

MSRP \$440 | ACCS70009

3-in-1 adjustable height option - 4.5", 7.5", 12"

- ✓ Helps to adjust positioning and relieve pressure

Vibration Pad

MSRP \$385 | ACCS70007

Full-body vibration pad with 9 motors, 7 modes controlled via wired remote, and an optional heat function

- ✓ Provides gentle, rhythmic movement to provide sensory feedback and relaxation

Weighted Blanket

MSRP \$275 | ACCS70010

- Soft, breathable microfiber material filled with 0.8-1mm non-toxic, environmentally friendly, hypoallergenic glass beads
- Size: 40" x 60" + Weight: 7lbs

- ✓ Provides gentle pressure often used by those with anxiety or sleep related challenges

Floor Anchor Set

MSRP \$275 | KIT10008

Steel feet that can be semi-permanently screwed to the floor for maximum stability (includes hardware)
